**Services for People
with Intellectual and
Developmental Disabilities**

What We Do

care4you2 is the premiere home care service provider for Toledo and surrounding areas focused on providing exceptional and secure in home care to all our clients, while providing support and training options to their families.

We specialize in serving seniors or those of any age dealing with chronic illness or disease, recovering from surgery, or those with Intellectual and Developmental Disabilities. Our compassionate team of experienced RN's, STNA's, nurse aides and caregivers provide Personal Care, Homemaker and Companion services with a focus on quality, safety and independence — helping you to stay safely in your home.

Our story

care4you2 has been in business since November, 2007. We offer a variety of quality services to seniors, people with intellectual and developmental disabilities, people recovering from illnesses, Veterans and others.

How Are Services Paid?

At **care4you2**, we accept clients who private pay, utilize certain waivers, or receive assistance through VA. We also accept some private/ LTCI (long term care insurance). Call us today to see whether we already work with your payer source.

Platinum Rule

Everyone has heard of the Golden Rule— treat others as you would like to be treated. And we all do well to live by this rule. However at **care4you2**, we consistently go one step further. We choose to employ the *Platinum Rule*...to treat others the way *they* wanted to be treated! In this way, we cannot help but to provide optimal services at all times.

We recognize that client satisfaction leads to familial satisfaction so at **care4you2** we see ourselves as part of your extended home care team who may serve as the eyes and ears in the family member's absence. We are very respectful of family roles and we always respect familial input. We feel open lines of communication with no hidden agendas amongst clients, family, case workers and your **care4you2** team are critical to
